

TAP / BEER NAME	BREWERY	STYLE	ABV%
-----------------	---------	-------	------

1 / Azacca Hazy ^V	DNA Brewing	USA Hopped Hazy Pale Ale	5.0%
------------------------------	-------------	--------------------------	------

A juicy pale ale in the New England style with a light haze. Full juicy malt profile featuring rolled oats, pilsner malt and a small amount of wheat malt. Generously late and dry hopped with USA hops Azacca with Calypso playing second fiddle. Tropical fruits dominate the flavour with hints of citrus and spice.

2 / Blue Sky Pale Ale ^V	McLeod's Brewery	Pale Ale	5.3%
------------------------------------	------------------	----------	------

This is an American-style Pale Ale with Talus and Citra hops, so you'll get plenty of bright grapefruit over citrus aroma and flavour. It's all balanced on a soft malt base with golden oats for a slightly moreish note and balanced bitterness.

3 / Comfortabeerly Numb ^V	Townshend Brewery	Lager	5.0%
--------------------------------------	-------------------	-------	------

A hoptastic lager with 100% Motueka hops from Eggers hops in the Moutere. 100% Local hops. 100% Gladfield malt. 100% awesome.

4 / Frozenova	Renaissance	NZ Pilsner	4.6%
---------------	-------------	------------	------

This NZ Pilsner is a colab with Gladfield Malt, lallemand yeast and freestyle hops using Gladfields malted maze, Lallemands new nova lager yeast and Freestyles motueka subzero hop keif, the result is a super clean and crisp beer with a refreshingly dry finish, this one is a banger of beer.

5 / Industrial Haze	Golden Bear Brewing	Hazy IPA	5.4%
---------------------	---------------------	----------	------

Playing with the mix of sharpness and juiciness, bitterness and sweetness, has become an obsession. Industrial Haze is our latest iteration. Golden Bear hopes you'll find it enjoyably polluting!

6 / Like a Woman ^V	Sprig + Fern	Hazy Pale Ale	4.9%
-------------------------------	--------------	---------------	------

Brewed for International Women's Day on Wednesday 8th March with a special pre-release at Marchfest, Citra® brings citrus, grapefruit, lime, and tropical fruits. Mosaic offers a complexity with a berry medley aroma, mango, stone fruit, all things tropical, citrus and pine. Add in Sabro, for a distinct tangerine and coconut flavour, where Idaho 7 balances this fruit bowl out with some tangerine zest.

7 / Liquid Refreshment ^V	Garage Project	IPA	5.6%
-------------------------------------	----------------	-----	------

Kiwi IPA, brewed with ripe New Zealand grown barley malt, a touch of wheat, Sunrise Valley Nelson Sauvín, Riwaka and Rakau and finished with a shot of Motueka cryo liquid hop kief. Clean malt character, balanced with juicy hop bitterness and layers of citrus, grapefruit and lime, ripe fresh cut nectarines, pineapple, passionfruit, gooseberry and a hint of dank resin.

8 / Long Horn Grisette ^V	Brood Fermentation	Hopped Farmhouse Ale	6.5%
-------------------------------------	--------------------	----------------------	------

Our take on the historic Belgian style ale enjoyed by miners after a long days work. Barrel fermented for 10 months before a healthy dry hopping of New Zealand Southern Cross Hops.

9 / March On ^V	Hop Federation	Hazy Pale Ale	5.5%
---------------------------	----------------	---------------	------

The newest Hop Federation Hazy Pale Ale, brewed especially for Marchfest. Amarillo and Motueka hops blend into a light-bodied brew with a delicate malt base. Refreshing flavours of crushed citrus with tropical notes. This is a hazy you won't want to miss.

10 / Mont Blanc ^V	Urbanaut Brewing Co.	Cold Brut IPA	5.9%
------------------------------	----------------------	---------------	------

Mont Blanc is the evolution of the super cool beer style, Cold IPA. Taking it to the next level by adding the magical 'Brut' enzyme, making the resulting beer lean bodied with no residual sugar. Bringing huge tropical aromas of mango, passionfruit and citrus to the fore followed by juicy notes of gooseberry, grapefruit and white wine from the Riwaka, Mosaic and Nelson Sauvín hops. Clean and easy drinking with a crisp dry finish, this beer is a pale gold drop of sunlight through an Alpine vista - refreshing and invigorating!

Eddyline

Black Currant Black Lager

5.3%

A Schwartzbier brewed with black currant is a dark lager with a complex flavor profile. The traditional roasted malt notes are complemented by the addition of black currant, creating a well-balanced beer with a slightly sweet and tart taste. This beer has a smooth and creamy mouthfeel, with a medium body and moderate carbonation.

15 / The Dark Spirit

McCashin's Brewery

Stout/Porter

6.5%

In 2021 we emptied some of our first 6-year-old single malt whisky barrels. Using Canterbury malts and Nelson hops, we created this smooth, full-bodied stout. After 18 months of aging in the oak barrels, we think it's time to enjoy it.
